

BATHROOM REMODEL

Let Southern Lumber Company help you with your Bathroom remodeling project.

LIST OF NEEDED STEPS:

1. Do research by exploring different literature, and display showrooms.
2. Develop a basic plan, this should include identifying items to be replaced and taking careful measurements.
3. Make product selection using above criteria.
4. Allow proper lead times for Special order or custom items.
5. Look for easy accessory items to add to the project.
6. Identify any special tools needed.
