

## BIRD HOUSE

Our staff of trained experts will help you create a nesting space for your favorite birds.

### LIST OF NEEDED STEPS:

1. Design ideas are available from our extensive book department.
2. Determine the type(s) of birds to be housed.
3. Determine where the house will be located, and how it will be installed (Hanging or Pole mounted)
4. Start with a detailed drawing or sketch.
5. Make a detailed list of materials.
6. Select wood specie to be used.
7. Develop a cut list from your drawing or sketch.
8. Next you will need to cut each piece of the Bird house (4-walls, Bottom, and Top) or have one of the trained mill personnel at Southern Lumber cut it for you.
9. Once material has been cut start assembly.
10. After final assembly Prime & Paint, or Stain & Finish.
11. Install

### CHECKLIST OF NEEDED SUPPLIES:

- |   |  |
|---|--|
| <input type="checkbox"/> 1/4" - 1/2" Lumber | <input type="checkbox"/> Stain Cloth / |
| <input type="checkbox"/> 1/4" - 1/2" Dowel  | Applicator                             |
| <input type="checkbox"/> Fasteners          | <input type="checkbox"/> Paint Brush   |
| <input type="checkbox"/> Putty / Filler     | <input type="checkbox"/> Sandpaper     |
| <input type="checkbox"/> Primer & Paint     | <input type="checkbox"/> Tack Cloth    |
| <input type="checkbox"/> Stain & Finish     | <input type="checkbox"/> Drop Cloth    |
| <input type="checkbox"/> Thinner            |  |
