

PINE BOOK SHELF

Get organized with a new shelving unit from Southern Lumber Company.

LIST OF NEEDED STEPS:

1. Determine the size needed for space.
2. Create a drawing or sketch.
3. Create a material list.
4. Select material to be used.
5. Cut material to size (Or have a trained professional from Southern Lumber cut it for you.
6. Start assembly using either nails or screws along with wood glue.
7. Check to make sure unit is being assembled squarely.
8. Once the top, Bottom, and Sides have been assembled, lay unit carefully onto face and attach Plywood or Paneling back.
9. Prime and paint or Stain and Finish and you're done.
